

Dear Hoover Wilderness Map User,

Every attempt was made to provide you with an accurate map of the Hoover Wilderness and adjacent lands. Unfortunately one error was made in the printing of the map. A portion of the Pacific Crest National Scenic Trail (PCT) through Yosemite National Park is shown in error in the lower left portion of the map. This insert shows the proper location of the PCT. We regret the error and hope this does not cause you any inconvenience.

- Correct location of the Pacific Crest National Scenic Trail
- - - - - Incorrect portion of the Pacific Crest National Scenic Trail

Inyo National Forest

Yosemite National Park

Toiyabe National Forest
